STUDENT INSURANCE

The safety of our students is one of our most important
concerns. Even so, accidents do happen and resulting medical
treatment (ambulance transport, surgery, hospitalization, etc.)
can be very expensive. Please know that Murray City School
District **DOES NOT** assume responsibility for these costs.

**MCSD no longer has the opportunity to offer an optional,
low cost insurance service.** Please make sure you have
appropriate medical/health insurance that covers your student
from these kinds of injuries/accidents at school. More
specifically, if your student is involved in district sports of any
kind, please have them covered with appropriate insurance for
sports injuries. This may mean extra coverage.

STUDENT MESSAGES AND DELIVERIES

MHS does **NOT** accept deliveries, nor
deliver messages to students during the
school day, except in case of **extreme**
emergency. The nature of the emergency
must be specified.

Arrangements for routine matters such as
rides from school, **ALL** deliveries (flowers,
balloons, birthday cakes, car/house keys,
lunch money), meeting places, etc. should be
taken care of before students arrive at school
and are **not** considered emergencies.
