

Summer 2018

Dear Murray High Parents, Teachers and Students,

The Murray High PTSA is involved in many selective events and offers opportunities for parents to help with service at the school. The PTSA meets about once a month to discuss the upcoming events and the concerns at the high school. Please watch for postings of the PTSA meetings starting in August. The PTSA works with the Student Body Officers to help with parent supervision and support of events for the entire school. A student body officer comes to each PTSA meeting. The Murray High PTSA helps with the following things plus other volunteer opportunities that come up during the year:

- Homecoming help
- Provides volunteers
- Helps find professionals to speak at Career Day
- Parent Teacher Conference Dinners for faculty and staff in Spring and Fall
- Spartan Strong lunch forum speakers
- Scholarships
- Reflections
- Battle of the Bands
- Select Parent and Volunteer of the Year
- Teacher Appreciation Week
- Project Graduation

We want all parents, students and teachers to know what is going on at the school and how they can help improve it. We send minutes of our meetings soon after they happen to keep parents who can't make the meeting informed of upcoming events and concerns to know about.

If you want to be included in our PTSA gmail mailing account, please send your email to MurrayHighPTSA@gmail.com and let us know you want to be added to the gmail account. We have created a signup.com account that we use to have parents sign up to volunteer or bring things to the school. We send a signup tool link out to our parents in order for us to get the needs covered. We will ask for phone numbers in that case if you signup to help.

Please remember to pay for PTSA donations and membership on the myschoolfees.org when you register for your student(s) for school and pay for their activities. We run PTSA solely on donations. We are asking \$25 for a donation and \$5 for a membership. In order to be supported by UTAHPTA we need to have members join. But we really need donations to run the programs we support at the school.

Sincerely,
MHS PTSA 218 Executive Board
