August 2018

Dear Parents,

I'm so excited to welcome you to the 2018-2019 school year! First, I'd like to introduce myself. My name is Kaydee Fondaco and I am the new Preschool Coordinator here at the Murray Early Childhood Education Center (ECEC). I have been working in Early Childhood for nearly 20 years, most of which have been within these walls! Watching all children learn through play, developing relationships with those children & their families, and being of service to our Murray community are just a few of my favorite components of being a part of the ECEC. Feel free to stop in the office and any time to say hello. I look forward to a great year together and hope that you are just as excited to get the school year underway as I am!

We are hosting an Open House for all students and their families on Wednesday August 29. You can drop by the morning session anytime between 9:00 and 10:30 A.M. or between 6:00 and 7:30 P.M. that evening. Please plan on attending with your child. You will be able to tour the facility, meet your child's teachers and spend some time in the classroom.

Classes begin the week of Labor Day (September 4th or 5th).

****NEW THIS YEAR AND CRITICALLY IMPORTANT!****

Murray City School District is requiring all students to register in the ASPIRE system. This needs to be done as soon as possible before school begins. Information for registering in ASPIRE is provided in this packet. Returning students will already have an ASPIRE number, and it is on the form provided along with the instructions. There will be assistance onsite during the Open House for those who need it.

It is crucial that you also bring with you your child's Birth Certificate & Immunization documentation. In accordance with current health regulations, we must have a copy of your original Immunization card (both sides) from the health department or a copy of the Immunization Record from your physician. You may bring a copy with you, or bring your original for us to copy. If you prefer, you can have your physician fax the immunization information to my office, 801-264-7496. **Parents MUST provide a Birth Certificate for each child registered AND all forms MUST be on file in order for children to start preschool.**

If your child is part of the grant (PreK only) be sure to have completed the Income Verification document. Extra copies will be available at the Open House.

Parking is located in the large lot southwest of the center. There are two crosswalks to use, one at the corner and the other closer to the south end of the parking lot. Parking behind the building is **ONLY** for staff members and those with current parking passes. Please leave the handicap access parking spaces for those with designated plates or hang tags. You can enter the building through the front doors where you will be directed to your child's classroom.

The staff and I are looking forward to meeting and working with you and your child! If you have any questions or concerns, please feel free to email me anytime (kfondaco@murrayschools.org) or call me at 801-264-7404.

Sincerely,

Kaydee Fondaco

ECEC Preschool Coordinator
