Performing a Daily Symptom Check in Your Home

Please perform a daily symptom check at home with your student(s).

IMPORTANT: Keep your child home if they have any of the following symptoms:

- Fever of 100.4 or Higher
- Cough (not related to asthma)
- Shortness/difficulty breathing
- Chills or muscle aches
- Sore throat
- Loss of smell/taste
- Gastrointestinal issues

Families without one may request a thermometer by contacting the school.

Reinforce Health Hygiene Practices in Your Home

Please also reinforce healthy practices at home to avoid getting sick.

- Proper handwashing
- Use hand sanitizer
- Avoid touching face
- Wear face covering in public
- Stay home when ill
- Cough into elbow
- Physical distancing

We all have a part to play in keeping students safe this year. Please monitor your student daily to ensure they are not sick. If they are, keep them home and contact your school.
