

Device Insurance Policy

Secondary 7th – 12th grade

Murray City School District (MCSD) is providing an opportunity for families to insure the school-issued chromebook that will be assigned to your child. This insurance policy will cover the device against damages due to: vandalism & theft (with accompanied police report), fire, flood, natural disasters and power surge due to lightning strikes as well as accidental damages such as a cracked screen, liquid spills, etc. This insurance policy provides replacement cost coverage and covers the device on and off school grounds.

The non-refundable cost of the insurance policy for the 2021-2022 school year will be \$25 per chromebook.

All incidents/damages/repairs will be reported to the MCSD Technology Department to maintain the policy coverage.
