Welcome to the 2021-2022 School year! After a challenging school year dealing with an awful pandemic, we are so excited to see our students back this Fall in a more normal school environment. We remain committed to providing every student the very best educational opportunities towards academic and extra-curricular success. As we return to normalcy, there will be some re-learning and re-orientation on school procedures and policies, including a regular attendance and citizenship policy. I encourage you to review these guidelines carefully in the M-Book so you have every opportunity to succeed in your time here at Murray High.

As students, your responsibility is to do your best, be your best, and help others to be their best. The theme this year is "Find Your Fire!" After a year of uncertainty, we invite you to reignite that excitement and passion for learning and getting involved. The attitude and standards you set for yourselves in high school will shape the people you become. You are all capable of doing great things!

SERVE, PARTICIPATE, ACHIEVE, RESPECT .... Let's SPAR On into the school year with purpose, pride and a renewed energy!

Scott Wihongi, Principal

Please refer to the student handbook for a complete list of dress code regulations.

**Student Insurance**

The safety of our students is one of our most important concerns. Even so, accidents do happen and resulting medical treatment (ambulance transport, surgery, hospitalization, etc.) can be very expensive. Please know that Murray City School District DOES NOT assume responsibility for these costs.

We no longer have the opportunity to offer an optional, low cost insurance service. Please make sure you have appropriate medical/health insurance that covers your student from these kinds of injuries/accidents at school. More specifically, if your student is involved in district sports of any kind, please have them covered with appropriate insurance for sports injuries. This may mean extra coverage.

**Student Messages and Deliveries**

We do not deliver messages to students during the school year, except in case of extreme emergency. The nature of the emergency must be specified.

Arrangements for routine matters such as rides to and from school, all deliveries (car/house keys, lunch money, flowers, balloons, birthday cakes), meeting places, etc. should be taken care of before students arrive at school and are not considered emergencies.

**Student Parking Lot Regulations**

Parking on Murray High Campus is a privilege, not a right. Parking regulations must be observed by all who park on campus in order to provide for safe and efficient traffic movement, and to maintain access for fire and medical vehicles.

Only students with valid parking passes are allowed to park in student parking areas. Students may obtain a parking pass by showing a valid driver’s license, completing their parking application form and paying their parking fee.

Vehicles on campus without a parking permit or parking illegally in any way will receive a $10.00 fine. The second violation will result in a $15.00 fine and the third violation will result in a $20.00 fine and loss of the parking pass and on-campus parking privileges. A student parking on campus illegally may have their pass revoked or their vehicle towed.

**Murray City Traffic Ordinance; Sec 10.08.030 Parking on School Property**

1. **Student shall park in designated student parking areas.**
2. **Parking permits are required and must be displayed on the rear-view mirror.** All cars must register and display such a permit.
3. **All vehicles shall be parked inside marked parking stalls.** Parking in any area other than between marked parking stalls is prohibited.
4. **Students may not park in designated faculty or visitor parking areas.**
5. **Students may not park in the service and bus entrance.**

**Parking Permits**

A parking pass application (available on-line, or in the main office) must be completed to purchase a parking permit. The application requires a parent signature and car insurance information. Parking permits for the school year may be purchased for $10.00 during registration or at any time during the school year.

**Search and Seizure**

School authorities are charged with protecting the health and safety of all students and promoting the effective operation of the schools. The following search and seizure guidelines shall be observed to assure the privacy of individuals and the safety and welfare of all students. (This is in accordance with the Policies, Rules, and Regulations of the Murray City Board of Education PS 435.)

1. **Students.** A Student shall be free from searches unless there is reasonable cause to believe that something is concealed that may be of immediate danger to the student or to other students or the staff. School officials may request a student to remove all items from pockets or other personal property.
2. **Lockers.** Lockers remain the property of the school and are provided to students for their convenience. Students should be aware their assigned locker will be jointly accessible to the student and school officials and may be subject to search at the discretion of school officials.
3. **Vehicles.** If a school official has reasonable cause to believe the contents of a vehicle threaten to affect adversely the safety, health, or welfare of students, or if they reasonably suspect that drugs, weapons, illegal or prohibited matter, or stolen goods are in a vehicle, the vehicle may be searched.

**Safe School Policy**

The Murray School District Board of Education has approved a Safe School Policy which specifies action to be taken when students violate the law in the area of weapons, drugs and alcohol, assault and jeopardizing the safety and welfare of others within the school setting. This policy is included in the student handbook.
