

Device Insurance Policy

Elementary K – 6th grade

Murray City School District (MCS D) is providing an opportunity for families to insure the school-issued chromebook that will be assigned to your child. This insurance policy will cover the device against damages due to: vandalism & theft (with accompanied police report), fire, flood, natural disasters and power surge due to lightning strikes as well as accidental damages such as a cracked screen, liquid spills, etc. This insurance policy provides replacement cost coverage and covers the device on and off school grounds.

The non-refundable cost of the insurance policy for the 2022-2023 school year will be \$25 per chromebook.

All incidents/damages/repairs must be reported to the MCS D Technology Department to maintain the policy coverage. Multiple insurance claims may result in future device restrictions.
