

## Device Insurance Policy

Secondary 7<sup>th</sup> – 12<sup>th</sup> grade

Murray City School District (MCS D) is providing an opportunity for families to insure the school-issued chromebook that will be assigned to your child. This insurance policy will cover the device against damages due to: vandalism & theft (with accompanied police report), fire, flood, natural disasters and power surge due to lightning strikes as well as accidental damages such as a cracked screen, liquid spills, etc. This insurance policy provides replacement cost coverage and covers the device on and off school grounds. The insurance policy does not cover the charger or case. Replacement fee will be assessed if damage, vandalism, loss, or failure to return charger or case at the end of the school year occurs. You may purchase a replacement charger from the main office at the school for \$20.

**The non-refundable cost of the insurance policy for the 2022-2023 school year will be \$25 per chromebook.**

All incidents/damages/repairs will be reported to the MCS D Technology Department to maintain the policy coverage.

### Not Enrolled in Insurance Program

By not purchasing this insurance policy I will accept financial responsibility for any damage to the device or components of the device. See list and cost of all items.

If you have personal insurance that covers the device, you are still obligated within 30 days to pay all bills to MCS D. Please note that all repairs and/or parts must be completed through the MCS D Technology Department. You will be liable for the cost of the device if you choose to use outside parts and/or repairs as you will have voided our agreement with our vendor.
