

MCSD ELEMENTARY CURRICULUM

Utah Code 53G-4-402(24) requires a local school board to make district adopted curriculum available for a parent/guardian to view. Below you will find links to our adopted curriculum for all MCSD elementary schools.

NOTE: Click on the curriculum logos to gain access to the website to view the curriculum.

Eureka Math

Is the mathematics curriculum for Kindergarten through 6th grade.

Wit & Wisdom

Is the adopted Language Arts program for 2nd - 6th grade.

Science

For science we utilize FOSS which provides a lot of hands-on investigation for students, coupled with lesson provided by USBE.

Second Step

Is the SEL (Social and Emotional Learning) curriculum used Kindergarten - 6th Grade.

Kindergarten & 1st Grade Language Arts focuses on foundational skills. MCSD uses the programs below:
