## INCLEMENT WEATHER PROTOCOLS SUMMARY

In the event of cold and stormy weather, or any unexpected emergency, MCSD will exercise the inclement weather options listed below. District officials will communicate one of these options no later than 6:30 am by ParentSquare, the District Website, Social Media channels, and through our local TV media.

- Late Start: Students and educators will begin two hours later
- Remote Learning: Students and educators will remain at home
- Full Closure: No in-person or remote learning

You can learn more about our protocols, and why a decision to stay open is favored here: [murrayschools.org/inclement-weather](http://murrayschools.org/inclement-weather)

## STANDARD RESPONSE PROTOCOLS SUMMARY

MCSD has adopted the "I Love U Guys" Foundation Standard Response Protocol. Personnel and students will be trained on these each year.

For more information go here: [MurraySchools.org/SRP](http://MurraySchools.org/SRP)

The premise is simple. During an incident one of the above five commands will be given to students and staff. Each comes with a specific set of instructions that everyone will be expected to follow. Students and staff will drill on these multiple times per year to safeguard our communities.

### PARENTSQUARE

Murray City School District and its 10 schools use ParentSquare as a primary method of communication with parents which uses email, phone, text, and in-application platforms. It is imperative that parents/guardians keep their contact information current in our student information system (Aspire), so that we have clear channels of communication in the event of an emergency.

To use ParentSquare, go to your phone's app store and download it or use the QR code below.

### SOCIAL MEDIA

As a secondary source of information, Murray City School District will announce items of interest on its Facebook and Instagram platforms. Please connect with us on social media at:
